

Northview Group Leader Covenant

Northview Groups exist to make Jesus known through biblically focused, transformational communities that help people **connect** relationally, **grow** spiritually, and **live** out their faith generously.

As a Northview Group Leader, I support the mission, beliefs, values, and [tenets of faith of Northview Church](#). I will commit to the following:

- I will encourage our group to **Connect Relationally** by striving to foster genuine relationships rooted in love and care for one another. Since we are created in God's image, we recognize that we are called to meaningful and life-giving connections. We will aim to participate in authentic, enjoyable, and fun experiences that develop a strong sense of community.
- I will encourage our group to **Grow Spiritually**. Because God has called us to mature fully in our faith, we will pursue spiritual formation through biblically focused and Holy Spirit-led efforts in intentional discipleship.
- I will encourage our group to **Live Generously** with our time, talent, and treasures. I will encourage our group to be as open and inviting as possible, actively seeking new members to share our life-giving community whenever we can. We will have a strong desire to serve together to advance God's Kingdom work. Because Jesus is the way to know God, our group will be prepared to lead people to saving faith in Him.
- I will encourage our group to be Biblically focused and Holy Spirit-led. We will seek and allow the Holy Spirit to transform our lives as together we submit to the Word of God through study, reverence, and obedience.
- I will encourage our group to prioritize prayer. We will pray, intercede, and support each other by sharing burdens, concerns, praises, and blessings both during meetings and outside of them.
- I will encourage our group to help move people at Northview from association to participation. We will strive to create a transformative, attractional group that engages the body of Christ, encourages involvement, and deep, caring relationships where we will show up for one another in love.
- I will encourage our group to focus on fun and engage in genuine, enjoyable activities that develop a strong sense of relational community.

- I will encourage our group to dedicate time to regular service engagement by connecting with Northview Teams and its mission partners through projects that contribute to advancing Kingdom work. Because groups that serve together grow together, stay together, and impact the world together.
- I will encourage our group to create a safe and confidential space where members can be vulnerable, authentic, open, and honest about their perspectives and experiences. We will offer one another grace while pursuing accountability.
- I will encourage our group to create a positive and encouraging community where we promote unity in Christ and refrain from gossip, divisive topics, inflammatory language, promotion of political candidates, and sales or self-promotion.
- I will prioritize Group meeting schedules, record attendance in the Northview Group Manager, and request a call or text advance from members who are unable to attend.
- I will prioritize attending Northview-led Group Leader Trainings. I will be open and strategic in exploring the potential for launching new groups by identifying and equipping apprentice leaders. Our group will strive to share roles and responsibilities among our members.
- I agree with and will support the Northview Church doctrines of the holy institution of marriage between one man and one woman and the sanctity of all human life from conception to natural death.
- I understand that if, at any point, my lifestyle and/or leadership conversations are deemed inconsistent with Northview's Group Leader Covenant, I will be promptly invited into discussions with my Northview campus leader to seek a better understanding, clarity, and realignment. If needed, I may also be asked to step away from any Northview Leadership role until and in hopes that realignment with the Group Leader Covenant is reestablished and I become eligible for future leadership role consideration.
